

Vienna, 10 February 2022

Manufacturer Statement **Glove production – Free of animal ingredients**

We herewith confirm that for the production of **Sempermed powder free nitrile and latex examination and disposable gloves** no ingredients are used that are considered to be unlawful according to Islamic law. The gloves do not contain any ingredients of animal origin, alcohols or other prohibited substances.

Thus, we are able to confirm that Sempermed gloves comply with halal food processing requirements.
